FRESH JUICES

MENU

JUICE OF VEGGIES

CARROT

One of my favorite ingredients for juicing, carrots are so versatile and just packed with useful nutrients. These include antioxidants, carotenoids polyphenols, and lots of fiber.

BEET

Research has shown Beet to be useful for everything from cancer prevention and reducing blood pressure, to improving cognitive function and exercise performance.

CELERY

celery is an incredibly healthy vegetable with tons of nutritional benefits. Studies have shown that – amongst other benefits it is good for the heart and has antibacterial, antifungal, and anti-inflammatory properties.

GINGER

Juicing fresh ginger is one of the best things you can do for your body! This pleasantly spicy root offers a myriad of benefits to human health, offering protection against cancer, helping control type 2 diabetes, and even reducing menstrual pain!

SPINACH

Tender, green spinach leaves are ideal for juicing, producing a drink with a fairly mild flavor compared to other leafy greens. Spinach is very nutrient-rich, packed with high levels of vitamin C, carotenoids, folic acid, calcium, and iron.

KALE

Kale contains a whole spectrum of vitamins, along with carotenoids, fiber, and folate. Considered one of the most nutrient-dense foods on the planet, it can help lower cholesterol and protect against cancer

MINT

The health benefits of consuming fresh mint are pretty impressive! These little green leaves have antimicrobial and anti-inflammatory properties, whilst offering protection against cancer and supporting heart health. Mint is also great for your digestion.

EVERGREEN

FRESH JUICES

MENU

MIX FRUIT JUICES

GANGA JAMUNA

This ganga jamuna juice is a very popular juice in north India. This juice is a combination of fresh orange and mosambi juice. Mosambi also known as sweet lime pairs up beautifully with orange juice.

MARA MARI

Pineapple and mosambi Both of the fruits are rich in Vitamin C and the taste blends well with each other

GANGA JAMUNA SARASWATI

Ganga Jamuna Saraswati are 3 most revered rivers of India, each having their own story & legacy. This delicious juice, Ganga Jamuna Saraswati is a confluence of 3 exciting fruits — Orange, Mosambi & Pineapple.

PINEAPPLE ORANGE

Pineapple orange juice is refreshing and also super healthy! Pineapples and oranges both contain a lot of fiber, water, and vitamin C which boosts your immune system and keeps you hydrated.

KIVI PINEAPPLE

The fruits, kiwi, and pineapple are very rich in vitamins, enzymes, and other nutrients.

KIVI PINEAPPLE MINT

Tangy juice, packed with plenty of vitamin C. The fresh mint here makes for a really refreshing drink.

PINEAPPLE GUAVA

Unique and delicious blend of rich, juicy guava and sweet, tangy pineapple flavors.

POMEGRANATE PINEAPPLE

Every sip has the perfect sweet, sour, and tarty flavor that can make you feel like you're on a summer vacation. It is certainly one of the best drinks to serve for celebrations and occasions.

PINEAPPLE LYCHEE

Litchi Pineapple Juice has high antioxidants and vitamin content

ORANGE STRAWBERRY

This drink tastes best using fresh strawberries and freshly squeezed orange juice.

POMEGRANATE MOSAMBI

Mosambi's flavours are enhanced with a handful of sweet and tarty pomegranate seeds making this drink a delight.

FUSION

SUGARCANE JUICE

The health benefits of sugarcane juice extend from preventing tooth decay to cancer. Read on to know about the benefits of sugarcane juice for diabetes, nutrition, weight loss and more.

We Also Provide Live Sugarcane Juice With Hygiene and Imported sugar Machine To Provide Smooth And Best Taste .

ROASTED CORN

Corn offers a wide range of health benefits as it has so many minerals and other nutrients in it. It can be used to prevent hemorrhoids as the fiber content in corn bulks up the stool and makes it move out of the body regularly..

We Also Provide Live Roasted Corn On Coal and LPG Gas With Hygiene.
